”

Stanford Hall 2019 takes place on Sunday 5th May 2019. This year's event sees the UK's longest running Classic VW show celebrating 43 years at Stanford Hall. As always, several special displays are planned for the day, more news of which will be revealed nearer the event.

For newcomers to the event, it is seen by many as the year's premier Classic Volkswagen show, but still retains a relaxed, family friendly atmosphere. Stanford Hall itself is a stately home set in large grounds in South Leicestershire, on its border with Warwickshire and Northamptonshire.

The hall is located in the quiet village of Stanford-on-Avon, which is 5 miles south-east of Lutterworth, and 1 mile east of

Swinford Village. It is easily reached from the M1, M6 or A14. If you want to learn more about Stanford Hall itself, please visit their own website at www.stanfordhall.co.uk. Once again, this year, the Leicestershire and Warwickshire VW Owners' Club (organisers of the event) aim to make a substantial donation to charity - last year donations were made to the Air Ambulances within the Leicestershire and Warwickshire area.

Highlights:

Concours:

The Concours d'Elegance is considered to be the best in the country, specialising in cars of original specification, with seventeen classes this year covering the whole of the Volkswagen, Audi and Porsche ranges plus a Super Class exclusively for last year's class winners.

For many years now, Stanford Hall has seen numerous Owners' Club displays, none more famous than the Split Screen Van Club display which, in previous years, has consisted of over 200 vehicles.

Also prominent is the display of Historic Volkswagens promoted with the help of The Historic Volkswagen Club, which takes pride of place at the show in front of the hall itself.

For those camping on the Saturday evening there is entertainment on the show field, with a band playing from 7pm.

Trading:

This is a major part of the Stanford Hall event with well in excess of 150 traders offering everything from that elusive NOS part through service items, accessories, books and memorabilia.

Catering:

There are a number of catering stands on site ranging from doughnuts and burgers through to traditional fish and chips and speciality coffee, or you could try a leisurely visit to Stanford Hall's own Tea Rooms, conveniently located in the courtyard.

Cars for Sale:

Thinking of buying or selling a used VW group car? Then the Cars for Sale area is a must visit location. Buying or simply browsing, there's sure to be a large selection to

car displays

Club Displays

Specialist clubs for owners of VW group cars are invited to apply for a display area. These are available as in previous years, in the new (much larger) area adjacent to the trade areas. This is approached by the South Kilworth entrance.

The displays normally consist of a **maximum of 10 vehicles**. Any increase on this number can only be accommodated with the advance approval of the organisers through the Display Stand Manager, and is subject to space availability. Please book well in advance to avoid disappointment.

Clubs are allowed to set up promotional display material and sell club regalia if desired. Open trading of other merchandise is, however, not permitted under any circumstances from these display areas.

Clubs who wish to take part in open trading must do so in the Trade Stand area and book their stand with the Trade Stand Manager using the Trade Stand booking form and not the Club Display booking form.

Entry to the display area is only permitted between 8.00am and 11.00am on the Sunday. All participants **MUST** be prepared to leave their vehicle in this area until 4.00pm and must also vacate the site by 7.30pm.

PLEASE NOTE

There is a small £10 booking fee per club to secure your passes (cheques should be made payable to **Leicestershire & Warwickshire VW Owners' Club**). Normal show entry costs apply to people within the vehicles participating in these displays (please see admission prices). All vehicles taking part in these displays must have a pre-booked pass. This must be clearly displayed from the vehicle's rear view mirror whilst entering the show ground and until the vehicle is stationary on its respective club display. This enables marshals to identify vehicles clearly and prevents vehicles from being stopped unnecessarily. All entries must be received from club secretaries before 6th April 2019. Clubs should bear in mind that the space is allocated on a first come first served basis, and space is limited, so early booking is recommended to be certain of securing a stand. **Normally, spaces are filled by early March.** All participants in the displays should note that vehicles are displayed entirely at the owners' risk and neither the Leicestershire and Warwickshire VW Owners' Club nor Stanford Hall accept any liability for actions beyond their control. If your club would like to request space in the display, please complete the club display booking form enclosed, sign the declaration and send it, along with your cheque for £10, to the display manager.

Syston, Leicestershire. LE7 1HZ.**

Historic Beetle Display

From small beginnings way back in 1976, the Historic Beetle Display has always been at the heart of the Stanford Hall event. It is open exclusively to Type 1s built before August 1960.

All first time applications for the display and previous entrants with modified cars should send an up to date photo of the vehicle with the completed application form. (Paper digital copies or scans are fine).

There are a few conditions you should be prepared to conform with prior to booking for the free to enter display, these are:

- Your vehicle must display a pre-booked pass on its internal rear view mirror and be parked with the rest of the cars in the display, allowing the marshals to identify you clearly and avoid stopping you unnecessarily and causing delays.
- You fill in the enclosed booking form and send this to the address shown below.
- You arrive between 8.00am and 11.00am and are prepared to leave your vehicle on stand until 4.00pm. Please also note that the site must be vacated by 7.30pm on the day of the show.
- All display vehicles are admitted at the discretion of the display manager whose decision is final.

PLEASE NOTE

We regret that those who do not pre-book will have to pay the normal entry fee and will not be able to park with the display.

Don't worry if your car is not pristine we are happy to see daily drivers or restoration projects as long as they are not overtly modified or lowered.

Those who would like to enter the concours can still join the display as Class 1 vehicles in the concours are contained within the display area. As in previous years however you should additionally pre-book your concours place with the Concours Manager. See separate information and booking form.

To register your car for the display, please complete the enclosed booking form and send it to:

**Robert Meekings, 21 Nab Wood Road, Shipley,
West Yorkshire. BD18 4AG.**

email: displaymanager@historicvws.co.uk

Please enclose a C5 SAE with your application.

concours d'elegance

The 2019 Concours d'Elegance will follow the successful formula of previous years, with classes being similar to those of last year.

All vehicles must have been registered for at least three years or have covered a minimum of 20,000 miles. Owners of vehicles which do not meet these criteria may still enter but on a display basis only.

Entry Notes:

Class 5 (1302/1303 Super Beetles) has had little support over the last few years and will, once again, be included into Class 3. If there is sufficient interest, however, the class may be reinstated.

The Super Class will, as always, be open to last year's class winners.

(Classes 1-18). Once again this year, this will be divided into two sections, these being for vehicles from Classes 1-10 and 18 and Classes 12-17.

As Classes 11 and 17 may have potential winners from the air-cooled or water-cooled era, their winners from last year may fall into the first or second half of the Super Class.

The Stanford Hall Concours d'Elegance is for unmodified vehicles only. Owners of custom and modified vehicles will

not be allowed to enter and the Concours Manager's decision on this will be final. **With this in mind, all entries must now be accompanied with an up to date photograph, even if you have entered before.** Digital paper copies will be sufficient or alternatively electronic copies can be e-mailed to concours@lwwvoc.co.uk

As in previous years, all classes, except super class, will be strictly limited to 10 vehicles, so pre-booking is strongly recommended, and is becoming increasingly essential to avoid disappointment on the day.

A further advantage of pre-booking is that it provides free entry to the show for the vehicle and its occupants.

Please complete the enclosed entry form only if you are certain of attending the event, as non-attendance spoils the continuity in the layout of the Concours area and may prevent other enthusiasts from attaining a place.

Entries on the day cannot be guaranteed and are only accepted at the discretion of the Concours Manager, and then only if space permits.

Stanford Hall, in common with most other VW events, penalises vehicles which are brought to the event on a trailer, and/or do not appear roadworthy or in conformity with MoT requirements.

Please send completed entry forms and a £10.00 cash deposit or cheque (payable to Leicestershire & Warwickshire VW Owners' Club) which will be reimbursed on arrival at Concours Control on show day. Enclose a digital photograph with your entry form and a C5 SAE to Robert Loughrey, 17 Lovetts Close, Hinckley, Leicestershire. LE10 0YH.
Telephone: 01455 239 723 (after 6pm) – email: concours@lwwvoc.co.uk

Stanford Hall is a member of the loose association of VW Classic Concours Shows, which was introduced in an attempt to standardise judging sheets and judging criteria.

As in previous years, there will be a special entry gate (shown on the rear of the swinger sent to entrants with their booking confirmation), which will provide an excellent "fast-track" entry and exit from the grounds. PLEASE ENSURE YOU DISPLAY THIS ON YOUR REAR VIEW MIRROR WHEN ENTERING THE SHOW GROUND.

All entrants should ensure that they are in position, ready for judging by 10.30am.

They must be prepared to leave their vehicle in the Concours area until after the awards ceremony at approximately 4.00pm.

Failure to comply with this rule will result in disqualification.

The organisers feel strongly about the above clause, and would point out that they offer free entry and, as such, ask participants to leave their vehicles in place for the paying public's viewing pleasure.

Please note that all vehicles are displayed entirely at the owners' risk and neither Stanford Hall nor the Leicestershire & Warwickshire VW Owners' Club accept any liability for actions beyond their control.

- All entrants receive a commemorative plaque.
- Class winners receive a rosette, trophy and winner's plaque. 2nd in Class receive a rosette, trophy and runner-up plaque.
